ADDITIONAL RULES

1. This club and its show secretary assume no responsibility for the owner or the owner's agent entering a dog in a class in which the dog is not eligible to compete, or for entering the same dog twice.

2. Exhibitors' identification tickets and judging programs will be mailed to the address given on the entry blank. If not received within a reasonable time prior to the show, notify the show secretary. Tickets returned by the post office marked "undeliverable" will be held at the show secretary's table. PLEASE BRING YOUR IDENTIFICATION TICKETS TO THE SHOW.

3. During the hours of judging, owners are to be on call and have their dogs ready to bring into the judging rings promptly, in order that the judging will not be held up. Dogs need only be present for their judging. Dogs not needed for further judging may be excused. It is the responsibility of the exhibitor to have his dog ready to be shown and at the entrance of the judging ring when the steward calls for the class. Owners of dogs or the handlers of the dogs alone are responsible for the presence of their dogs in the judging rings. This means it is not the responsibility of the ring steward, nor of any agent of the show-giving club, to locate any dog, its owner, or its handler, when the dog's presence is needed in a judging ring. It should be understood by every exhibitor and handler that waiting for dogs to be brought into the ring is a courtesy extended to the owner or handler of the dog. There is no rule of this club nor of The American Kennel Club that requires a judge to wait for an owner or handler to bring a dog into the ring.

4. Trophies and prizes will be awarded in the judging rings to the person exhibiting the dog, who will be considered the owner or the agent of the owner. All claims for trophies and other prizes must be made in the judging ring before the completion of the judging of the breed, and the show secretary must be advised at once in the event of any discrepancy.

5. Exhibitors are admonished to make themselves familiar with the agreement of The American Kennel Club, referred to on the reverse side of the entry blanks that accompany this premium list. RULE BOOKS ARE AVAILABLE AT THE SHOW SECRETARY'S TABLE AT THE SHOW or may be obtained from A.K.C., 51 Madison Avenue, New York, N.Y. 10010. When ordering more than one, send A.K.C. Twenty-five cents per book.

6. The club and its show secretary will not be responsible for the loss of or damage to any dog exhibited, whether the result of accident or other causes. It is distinctly understood that every dog at this show is in the care and custody and control of his owner or handler during the entire time the dog is on the show premises.

7. If, because of riots, civil disturbances or other acts beyond the control of the management, it is impossible to open or complete the show, no refund of entry fees will be made.

8. Entry fee shall NOT be refunded in the event that a dog is absent, disqualified, sick, lame, excused by veterinarian or judge, barred from competition by action of the show committee, or because the dog is ineligible to compete due to being entered incorrectly. There is no refund of the entry fee for bitches coming in season after the entries have closed. Bitches in season may be shown for Breed Competition. There is no refund of entry fee for duplicate entries.

9. There is no provision offered for unentered dogs at this show.

10. Declination of Entries. The Italian Greyhound Club of America, Inc., may decline any entries for cause and may refuse to receive or may remove any dog on account of disease, viciousness, or other causes, and no one shall have any claim or recourse against the club or any official thereof.

11. The Italian Greyhound Club of America, Inc., and the show secretary will NOT be responsible for children of exhibitors and spectators. Parents or those adults who bring the children to the show are responsible for their welfare.

KASSANDRA JOH-CYN

1963 to 1976

She's sleeping now in a special corner of heaven——where the sun always shines, where the beds are soft and fluffy, and where the dishes are always full of cookies. Kassie was the beginning of Kreszenz Italian Greyhounds. She was gentle, trusting, and dependable; she loved everything and everyone. With a wagging tail and a big smile she won our hearts and changed forever the course of our lives. As long as there are Kreszenz Italian Greyhounds, Kassie lives; her legacy of love goes on.

She finished in 4 shows in Mexico, went back as a Special, and placed in the Group. Her most recent Mexican win was second in the Group. In Mexico the I.G. is in the Sighthound Group.

CH WAVECREST MICHELOZZO - his son,
CH WAVECREST TOP CHOICE

Also, two more studs offered are:

CH WAVECREST DONATELLO (co-owned with Paula Grant)

Ch. Wavecrest Donatello's pedigree is identical to that of Ch. Wavecrest Dimity, his litter sister.

Our dogs are not at private stud but we prefer to have a bitch's pedigree well in advance to determine if we think one of our stud dogs would make the proper combination with the bitch.
