Jim Dandy
You’ve got a kennelful of meat-lovers. And there’s nothing more likely to make them grateful than adding some ALPO to their dry.

ALPO Beef Chunks Dinner gives them what most other dog foods don’t. Lots of real beef, plus hearty meat by-products. Soy for better balance. And vitamins and minerals to complement the nutrition of your present feed. You can also serve it as a complete ration straight from the can. Either way, don’t champions like yours deserve at least a little ALPO?
