Lenore and her late husband Gene purchased their first O.E.S. in 1971. As their love for the breed grew, so did their family of Bobtails, Alfie, Brandy and Nana remained with them until shortly after Gene's death several years ago. Alfie is the sole survivor and is living comfortably in his new home in Toledo, Ohio.

As active members in the W.R.O.E.S.C., Gene held the office of President, Vice-President and served on the Board of Directors. His true love was the obedience ring. Lenore held the office of Secretary, Chairperson of Welfare and Editor of the Club's newsletter. Her dedication to the placement of orphaned OES was unwavering and limited only by the number of hours in the day.

After Gene's untimely death, Lenore found it difficult to remain as active in the Club's many projects but always found time to help out whenever the need arose. She remained a familiar presence at all of the Specialties, Puppy Matches, and other activities.

Lenore will be remembered by all who knew her as a symbol of love and dedication. Her loss is a great one, not only to us but to the breed as well. God bless you Lenore.
