No matter what dry food you feed, if you add a canned product to it you should be adding MIXIT! This balanced, extremely palatable liver gravy is the most economical enhancer you can put on a dry food. Two tablespoons of MIXIT per cup of dry food will coat each pellet. MIXIT was formulated with the finicky eater in mind. For more information about Science Diet®, call 1-800-445-5777 (Toll Free).

ITALIAN GREYHOUND RESCUE SERVICE...

Sponsored by the Italian Greyhound Club of America, this service has rescued and placed several "homeless" Italian Greyhounds. It's success so far (and it has been successful) is due to your generous financial support AND the concerned efforts of the committee and their contacts who just "wanted to get involved."
