This Specialty is Dedicated
to the memory of
Gary J. Hunt

A very special person and long-time friend of Italian Greyhounds, Gary will be missed by all who ever knew him.

Gary was not a breeder yet did more to promote Italian Greyhounds than most. He did this by the example he set. His love for the breed was obvious. His enthusiasm and compassion was real.

Gary gave his time, energy and love to the Italian Greyhound Club of America where he unselfishly served as both treasurer and vice-president. For many years he was the "stabilizing force" on the board. Always respected, his level-headedness will certainly be missed.
