ATTENTION ITALIAN GREYHOUND EXHIBITORS
Specialty Chairperson will only exhibit dogs in Non-Regular Classes.
This Specialty is Dedicated
to the memory of
Gary J. Hunt

A very special person and long-time friend of Italian Greyhounds, Gary will be missed by all who ever knew him.

Gary was not a breeder yet did more to promote Italian Greyhounds than most. He did this by the example he set. His love for the breed was obvious. His enthusiasm and compassion was real.

Gary gave his time, energy and love to the Italian Greyhound Club of America where he unselfishly served as both treasurer and vice-president. For many years he was the “stabilizing force” on the board. Always respected, his level-headedness will certainly be missed.

ITALIAN GREYHOUND RESCUE SERVICE

Sponsored by the Italian Greyhound Club of America, this service has rescued and placed several “homeless” Italian Greyhounds. It’s success so far (and it has been successful) is due to your generous financial support AND the concerned efforts of the committee and their contacts who just “wanted to get involved.”

FRESH-CHILLED ARTIFICIAL INSEMINATION THAT WORKS.

There are hassles for the stud owner, too. Hosting a valuable bitch puts the responsibility of timing the breeding on your shoulders. And, there’s the risk of injury and sexually transmitted disease, plus added commotion throughout the kennel. Are all the hassles worth it?

Now there’s ICG … for hassle-free fresh-chilled artificial insemination. Guaranteed!

International Canine Genetics, Inc., specialists in advanced breeding systems, offers you an alternative to the risks of long-distance natural breeding and a scientific approach to fresh-chilled semen artificial insemination. After several years of research and testing, ICG has developed a system that eliminates the guesswork. In fact, we’re so sure that your bitch will conceive, we guarantee your next fresh-chilled breeding.

Here are the basic details:
- Use ICG’s FRESH EXPRESS® fresh-chilled semen service.
- Use ICAGENT™ TARGET® Ovulation Timing Test kit, a simple blood test that allows you and your vet to pinpoint the fertile period.
- Use ICG trained vets. (Call us for the ones nearest you.)

Our guarantee: If you follow these steps, and your bitch does not conceive, ICG will provide you with a free fresh-chilled semen kit for a repeat breeding, a $150 dollar value. For more information and complete details of this guarantee, call today: 1-800-248-8099.

Act now, this is a limited time offer, and is available only through ICG.
