She'll only be a puppy for a year, but depend on you for life.

Naturally, you're nervous—after all, raising a puppy is much like raising a child. You may even lose a little sleep. Fortunately, there's PEDIGREE PUPPY® Food For Puppies. Specially formulated with calcium and quality protein, it has all of the essential building blocks puppies need to fuel their first critical year of growth and development. You can even help protect your puppy's immune system with the antioxidants in the NATURAL BODY DEFENSE SYSTEM® of our dry food. So give her the perfect start to a long, healthy life. (732) 363-4622
IGRESCUE@ATT.NET

6 - Italian Greyhound Club of America, Inc. - July 31 & August 1, 2001
PLEASE HELP US REMAIN WELCOMED AT CANFIELD

Because of problems we have had in the past, we are asking all exhibitors of Italian Greyhounds using the officially designated motels/hotels to be especially careful in keeping the areas clean and adhering to the areas assigned for our use. Any damage or unacceptable condition of rooms or grounds reported by the management will prevent said exhibitor from exhibiting dogs owned or co-owned by them at future specialty shows. In addition, by AKC recommendation, an Event Committee Hearing will determine further actions that will be taken by AKC in these matters.

SOCIAL ACTIVITIES

There will be morning hospitality, Tuesday & Wednesday.
There will be a Board Meeting and a General Membership meeting at the discretion of the President.
There will be a Barbecue on the grounds in our hospitality Tent on Tuesday Evening. Mitzi and Gary Brown will host.

All exhibitors and friends of the Italian Greyhound are welcome at these events.

PUPPY MATCH
THURSDAY AFTER BREED JUDGING.

VITREOUS DEGENERATION EXAMINATION

Dr. James V. Schoster, Clinical Associate Professor of Comparative Ophthalmology at the University of Wisconsin Veterinary Medical Teaching Hospital, will be doing Vitreous Degeneration examinations on Tuesday and possibly Wednesday morning. Dr. Schoster will not be charging for this examination. CERF exams can also be done. There will be an $20.00 charge for the CERF. If the dog is to have a VD exam, they are looked at before dilatation to check intraocular pressures before and after dilatation. Once they are dilated a repeat slit lamp exam is done followed by the indirect beam.

SCHEDULE OF POINTS FOR DIVISION 2 - EFFECTIVE MAY 15, 2001  
Division 2 is comprised of: Delaware, New Jersey, Ohio, Pennsylvania.  
The Points towards a Championship shall be awarded to the Winners Dog and bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.  
If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.  
If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of its own sex that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.
