Better Ingredients

You want to serve nutritious, delicious food to your family—and that includes your dog. That's our goal, too. For over 75 years, Nutro has developed and produced the best pet foods available, using only high-quality ingredients for complete nutrition and better health. NUTRO dog foods are 100% natural, made from real chicken and lamb, never any chicken by-products.

Better Nutrition

In addition to our top-quality ingredients, every NUTRO Pet Food formulation is nutritionally complete, providing the vitamins and minerals your dog needs for energy and a healthy immune system. The crunchy texture cleans teeth, maintains healthy gums and helps freshen breath. NUTRO is high in linoleic acid for a lustrous, shiny coat, healthy skin, and less scratching. Because we use only highly digestible ingredients like rice and wheat, never corn, NUTRO is easy on your dog's system. You benefit, too—since almost every bite is turned into energy, backyard clean-up is significantly reduced.

Better Health

The complete and balanced nutrition in NUTRO helps ensure your dog's maximum health, at every stage of his life. That's why veterinarians, breeders, nutritionists and caring pet owners like you choose and recommend NUTRO. Because NUTRO Pet Food, tastes great, your dog will love it, too.

Your dog is an important part of your family. NUTRO is the food your dog deserves to stay happy and healthy. For more information and the retailer nearest you, call 1-800-833-5330.
