DEDICATION

**RAMON
BARTOLOMEI
DEI CARINI**

The 2004 National Specialty of the Italian Greyhound Club of America is dedicated to the memory of Ramon Bartolomei who passed away on July 15, 2003. "Bart," as he was affectionately known to his many friends, was a fancier, student, exhibitor, breeder and, above all, lover of Italian Greyhounds for over 40 years. His Dei Carini IGs are part of numerous pedigrees throughout the world. Art collector, gourmet chef, opera singer, gardener and raconteur par excellence, Bart was a colorful character, a lover of beauty in all its forms and an often outspoken individual whose home was a museum of works of art and other collectibles representing the breed to which he was so devoted.

With his bigger-than-life persona, Bart's passing has left a void amid the Italian Greyhound fancy. He won't soon be forgotten.
