Judge Selection

The Top 20 guidelines call for an Italian Greyhound breeder, an AKC licensed judge and a handler. This year we embarked on planning the event with the philosophy that having an AKC judge and a handler whose primary breed is not Italian Greyhounds lends a diverse perspective to the judging process.

We are honored to have with us this evening a very experienced toy dog breeder-judge who is also a longtime sporting dog breeder-judge, Ms. Suzanne Dillin, of Brazos River Pugs (and several other breeds). Ms. Dillin has been judging IGs since the early 1990’s.

In addition, we have an extremely popular all-breed handler who was had unparalleled success showing sighthounds, Ms. Jill Bell. Jill has finished a number of IGs and handled a Top 20 IG in 2003.

Added to that mix, we feel very fortunate to have Ms. Lynne Ezzell as our breeder judge. We really lucked out in being able to have Lynne judge, because there are often one or more dogs she owns or bred in the Top 20 and she is not eligible to judge, so thanks Lynne for taking 2004 off!
How long have you been involved in dogs and how are you currently involved?
I have been involved since 1976 when my parents got their first Great Dane. We then got a whippet in the early ‘80’s. I had the two breeds until the mid-80’s when I started showing other breeds. I am now a handler and have had BIS dogs in four of the seven groups.

What is your experience with Italian Greyhounds?
I showed a beautiful red & white specials bitch a few years ago and quickly put her in the Top 20. She obtained her championship titles in Canada and Mexico as well. I have also finished several class dogs. They are a wonderful breed and are a “Greyhound in miniature.”

Tell us a little bit about you personally please...
I have been very fortunate to have been given great dogs to show. My biggest winner was of course the greyhound dog I specialized for many years. He was a multi-BIS winner and was #1 both systems for a remarkable seven years! He also went Reserve BIS at the World Dog Show in 1999, to his friend, the Belgian Tervuren who I specialized for 2 years. This dog went BIS at the World Dog Show. One handler, 2 dogs, 2 big wins has never been done before and I’m still amazed I was able to achieve this.

Thank you very much for this honor of judging the Top 20. I look forward to putting my hands on this many great IGs.
How long have you been involved in dogs and how are you currently involved?

My family has always been involved in dogs. My father raised English Setters and my first litter was seven ES. When George and I married, we searched about for just the right breed and settled on the Irish Setter. After the three boys arrived, we felt the Setters were too large and boisterous and we found English Cockers. We have been breeding/showing Engies for about 35 years. Over the years we produced BIS, Group, Obedience, Working titled and companion dogs. Next we added pugs and German shorthairs and have had them for about 20 years. All told we have produced approximately 80 champions. We still breed and show our dogs. Judging has offered me one more facet of this sport. I have been approved since 1987 and am currently approved for the Toy and Sporting Groups, BIS and about 1/2 the hound group. I feel fortunate to be able to participate on many levels and continue the passion to learn about purebred dogs.

What is your experience with Italian Greyhounds?

I have judged Italian greyhounds for about 13 years. This is a breed that I especially enjoy. The grace and elegance, combined with breed specific movement, is a challenge and one that I find very satisfying.

Tell us a little about you personally please...

In my other life, I have raised three sons, owned two advertising companies and worked as a Real Estate Agent. I am an avid reader/student. I am an unfulfilled artist and truly enjoy the company of dogs. I am in the process of writing three children’s books, each centered around an animal. Thank you so much for inviting me to be a part of the Top 20 Event sponsored by the Italian Greyhound Club of America.
How long you been involved in dogs and how are you currently involved?
I have been showing dogs for 21 years and have shown IGs for 19 years. I currently show IGs and have one Doberman Pinscher. I have also had whippets in the past. I breed a couple of IG litters each year with the Uwharrie kennel name. (How to say "Uwharrie." Correctly pronouncing "U-wharr-ie" is simple, it's three letters: U-R-E)

What is your experience with Italian greyhounds?
I have shown Italian greyhounds for 19 years and bred them for 17 years. I have produced Best in Show, Group winning and Specialty winning dogs and have had numerous dogs ranked in the Top 20. I have been active in IG rescue for almost 20 years.

Tell us a little more about you personally please...
I work for a local non-profit organization. I enjoy kayaking in my "spare" time. I also own a small herd of Nubian dairy goats and make cheese from their milk.
IGCA 2004 Top 20
Stacy Mason

We regret that Jill Bell is unable to be with us today. Her doctor recently moved up a planned maternity leave to begin September 15, and she regrettfully bowed out of her judging assignment. We're very grateful to Stacy Mason for stepping in at very short notice.

Stacy Mason was born into a life of dogs. You can often see her smile and then tell people she is third generation dog. Stacy’s grandmother raised Pekingese and Toy Poodles; her parents, Robert and Shari Mason, raised Toy Poodles when they first married in 1956. Later, they raised Afghan Hounds, Whippets and Greyhounds under the Blu-Kale kennel name. Stacy attended her first dog show when she was ten days old.

At the tender age of eight, Stacy put an AKC championship on one of the family Afghan Hounds. Shortly thereafter, she began training her poodle, Fashion, in obedience. Stacy’s handling career got a big jump start at her first Junior Showmanship competition. There was an entry of 54 juniors and Stacy was only two weeks over age ten when she went Best Junior with her whippet, Honey.

By the age of 13 Stacy was completely hooked on dogs and began raising Italian Greyhounds under the Samterro kennel name. A short time later she changed her kennel name to Justa. Almost 28 years later she and her parents are still raising and showing Italian Greyhounds. In 1984 Stacy began handling and training dogs professionally.

She specialized in showing sighthound breeds as she is a true believer that form follows function. Her successes with the sighthounds spilled over into many other breeds and performance events. Besides the show arena Stacy has trained drug dogs, search and rescue, cadaver dogs and some agility, rally obedience, tracking, trailing and protection dogs. She always offered her clients information and guidance in their breeding programs, which lead to many dual titled performance and show champions.

In six months, Ava earned a spot as the number five all-breed Italian Greyhound. During Ava's show career, she also earned her Junior Coursing title, proving that form does follow function.

Scandal achieved her 2004 Top 20 ranking with minimal showing. She was exclusively breeder-owner-handled with no advertising. Delighting judges and exhibitors, Scandal was known for her famous leap onto the exam table and her walk to the front for an almost perfect stack. Her showmanship and sheer joy of entertaining made it a blast to be her partner. Scandal now has a new passion, agility, and will debut at the National. Later this year we hope to achieve her CGC title. Some of the best things about Scandal are not found in the ring or on the field. Scandal excels at what is truly special about this breed; she is a once in a lifetime companion, and my heart dog.

We are grateful that Cami's breeder, Lilian Barber, let this very special girl come live with us at Laguna. She is a tribute to her breeder and her BIS granddam, Heart Afire. In limited showing, she accumulated a group 1 and 12 group placements, expertly presented by her friend and handler, Don Rodgers. Cami now reigns as Queen Bed Bug, and refused to take time off (actually, the whole house was in an uproar now that she is back home) to attend the Top 20. She sends all her fellow 2005 specials, her best wishes at this prestigious show.

Best of Breed Competition
The Official AKC Breed Standard for the Italian Greyhound

Description
The Italian Greyhound is very similar to the Greyhound, but much smaller and more slender in all proportions and of ideal elegance and grace.

Head
Narrow and long, tapering to nose, with a slight suggestion of stop. Skull Rather long, almost flat. Muzzle Long and fine. Nose Dark. It may be black or brown or in keeping with the color of the dog. A light or partly pigmented nose is a fault. Teeth Scissors bite. A badly undershot or overshot mouth is a fault. Eyes Dark, bright, intelligent, medium in size. Very light eyes are a fault. Ears Small, fine in texture; thrown back and folded except when alerted, then carried folded at right angles to the head. Erect or button ears severely penalized.

Neck
Long, slender and gracefully arched.

Body
Of medium length, short coupled; high at withers, back curved and drooping at hind-quarters, the highest point of curve at start of loin, creating a definite tuck-up at flanks.

Shoulders
Long and sloping.

Chest
Deep and narrow.

Forelegs
Long, straight, set well under shoulder; strong pasterns, fine bone.

Hindquarters
Long, well-muscled thigh; hind legs parallel when viewed from behind, hocks well let down, well-bent stifles.

Feet
Harefoot with well-arched toes. Removal of dewclaws optional.

Tail
Slender and tapering to a curved end, long enough to reach the hock; set low, carried low. Ring tail a serious fault, gay tail a fault.

Coat
Skin fine and supple, hair short, glossy like satin and soft to the touch.

Color
Any color and markings are acceptable except that a dog with brindle markings and a dog with the tan markings normally found on black-and-tan dogs of other breeds must be disqualified.

Action
High stepping and free, front and hind legs to move forward in a straight line.

Size
Height at withers, ideally 13 inches to 15 inches.

Disqualifications
A dog with brindle markings. A dog with the tan markings normally found on black-and-tan dogs of other breeds.

Approved December 14, 1976
