AMERICAN KENNEL CLUB SCHEDULE OF POINTS

For complete Conformation Championship requirements see Chapter 16 of the Rules Applying to Dog Shows

The Points towards a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of its own sex that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

Official Standard for the
ITALIAN GREYHOUND

**Description**—The Italian Greyhound is very similar to the Greyhound, but much smaller and more slender in all proportions and of ideal elegance and grace.

**Head**—Narrow and long, tapering to nose, with a slight suggestion of stop.

**Skull**—Rather long, almost flat.

**Muzzle**—Long and fine.

**Nose**—Dark. It may be black or brown or in keeping with the color of the dog. A light or partly pigmented nose is a fault.

**Teeth**—Scissors bite. A badly undershot or overshot mouth is a fault.

**Eyes**—Dark, bright, intelligent, medium in size. Very light eyes are a fault.

**Ears**—Small, fine in texture; thrown back and folded except when alerted, then carried folded at right angles to the head. Erect or button ears severely penalized.

**Neck**—Long, slender and gracefully arched.

**Body**—Of medium length, short coupled; high at withers, back curved and drooping at hindquarters, the highest point of curve at start of loin, creating a definite tuck-up at flanks.

**Shoulders**—Long and sloping.

**Chest**—Deep and narrow.

**Forelegs**—Long, straight, set well under shoulder; strong pasterns, fine bone.

**Hindquarters**—Long, well-muscled thigh; hind legs parallel when viewed from behind, hocks well let down, well-bent stifle.

**Feet**—Harefoot with well-arched toes. Removal of dewclaws optional.

**Tail**—Slender and tapering to a curved end, long enough to reach the hock; set low, carried low. Ring tail a serious fault, gay tail a fault.
Coat—Skin fine and supple, hair short, glossy like satin and soft to the touch.

Color—Any color and markings are acceptable except that a dog with brindle markings and a dog with the tan markings normally found on black-and-tan dogs of other breeds must be disqualified.

Action—High stepping and free, front and hind legs to move forward in a straight line.

Size—Height at withers, ideally 13 inches to 15 inches.

DISQUALIFICATIONS

A dog with brindle markings. A dog with the tan markings normally found on black-and-tan dogs of other breeds.

SUNJATAS BLUE BUNNY SIERRAVUE
(Ch. Lorenc's Rhinestone Cowboy X Ch. Logos Cast The First Stone)

Back-to-back majors and a BOB in her first shows out at the competitive Mission Circuit... not a bad start for Bunny! This lovely 14” blue/white girl resides in California with Kim Brinker and the Sierravue crew. Bunny is looking forward to a San Francisco reunion with her sister Buffy, and she wishes all exhibitors the very best of luck.
