Division 9 is comprised of: California  

CHAMPIONSHIP POINTS  
The Points toward a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.  
If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

After points have been computed for Winners Dog and Winners Bitch subject to the above stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater.  
In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record. If six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

MISCELLANEOUS BREEDS  
Winners of the Best of Breed and Best of Opposite Sex to Best of Breed in each of the individual miscellaneous breeds will be awarded points towards the Certificate of Merit (CM) title based on the number of dogs defeated. Upon completion of the CM title a dog may continue to compete in the Miscellaneous class so long as they are of an eligible breed. The CM suffix title is an introductory title to AKC conformation events and will be superseded by the CH title when earned. The Certificate of Merit requires 15 points.

Official Standard for the
ITALIAN GREYHOUND

Description—The Italian Greyhound is very similar to the Greyhound, but much smaller and more slender in all proportions and of ideal elegance and grace.

Head—Narrow and long, tapering to nose, with a slight suggestion of stop.

Skull—Rather long, almost flat.

Muzzle—Long and fine.

Nose—Dark. It may be black or brown or in keeping with the color of the dog. A light or partly pigmented nose is a fault.

Teeth—Scissors bite. A badly undershot or overshot mouth is a fault.

Eyes—Dark, bright, intelligent, medium in size. Very light eyes are a fault.

Ears—Small, fine in texture; thrown back and folded except when alerted, then carried folded at right angles to the head. Erect or button ears severely penalized.

Neck—Long, slender and gracefully arched.

Body—Of medium length, short coupled; high at withers, back curved and drooping at hindquarters, the highest point of curve at start of loin, creating a definite tuck-up at flanks.

Shoulders—Long and sloping.

Chest—Deep and narrow.

Forelegs—Long, straight, set well under shoulder; strong pasterns, fine bone.

Hindquarters—Long, well-muscled thigh; hind legs parallel when viewed from behind. hocks well let down, well-bent stifle.

Feet—Harefoot with well-arched toes. Removal of dewclaws optional.

Tail—Slender and tapering to a curved end, long enough to reach the hock; set low, carried low. Ring tail a serious fault, gay tail a fault.
Coat—Skin fine and supple, hair short, glossy like satin and soft to the touch.

Color—Any color and markings are acceptable except that a dog with brindle markings and a dog with the tan markings normally found on black-and-tan dogs of other breeds must be disqualified.

Action—High stepping and free, front and hind legs to move forward in a straight line.

Size—Height at withers, ideally 13 inches to 15 inches.

DISQUALIFICATIONS

A dog with brindle markings. A dog with the tan markings normally found on black-and-tan dogs of other breeds.

Approved December 14, 1976
HOW DOGS ARE JUDGED

Classes
In every breed of dogs (males) are judged first, then bitches. For each sex there are six classes.

1. Puppy - for dogs between 6 months and one year of age.
2. Twelve to Eighteen Month - for dogs between 12 months and 18 months of age.
3. Novice - for dogs which have never won a first prize.
4. Bred by Exhibitor - for all dogs except Champions, six months of age and over, which shall be presently owned and exhibited by the same person or kennel who are recognized breeders on the records of the American Kennel Club.
5. American-Bred - for dogs born in the U.S.A.
6. Open - for all dogs American and foreign bred.

Usually the most experienced show dogs are to be seen in the American-bred and Open Classes.

Winners Class
Into this class come the first prize winners of the above classes and two awards are made: Winners (purple ribbon) and Reserve Winners (purple and white ribbon).

Best of Breed Competition
Dogs of either sex which are already champions and the two which were chosen Winners compete here and one is chosen Best of Breed. This dog competes later in the Groups as sole representative of his breed.

Best of Winners
Only two dogs compete in this class - the Winners male and Winners bitch. One is chosen Best of Winners.

Championship Points
Championship points can be won by one dog and one bitch in each breed. The Winners dog and Winners bitch receive these points. The number depends on the number of each sex competing in each breed. When a dog has received 15 points he is a champion and holds the title all his life.

What a Judge Judges On
As a judge goes over each dog in the ring he is comparing him to a mental picture of the perfect dog of that breed. He judges each dog on:

1. Physical structure (head, teeth, feet, bone structure, muscle tones, etc.)
2. Condition (proper weight, condition of coat, animation, etc.)
3. Gait - as seen from front, side and rear.
4. Temperament - penalizing heavily for shyness or viciousness.

The End of the Show
In a dog show the competition becomes keener and more exciting at the end. When all breeds have been judged only one dog in each breed remains undefeated - the one which was chosen Best of Breed. These dogs are called to compete in one of the seven groups - Sporting, Hound, Working, Terrier, Toy, Non-Sporting, Herding. One wins each group.

These seven Group Winners meet in the final competition and one is chosen

REMEMBERING PAM HOY...

This photo of Pam & “Judy” was taken in July of 1990 in Santa Barbara. This was back when the Santa Barbara and Channel City Clubs held their cluster on the University of California campus. It was a beautiful weekend and Pam and “Judy” won the breed both days. Lilian Barber is the judge in this photo. Pam was a great person and is missed by all those who knew her.
