CHAMPIONSHIP POINTS

The Points toward a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of its own sex that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

GRAND CHAMPIONSHIP POINTS

How To Figure Points If Your Champion Dog or Bitch Goes Best of Breed

Grand Championship (GCH) points for BOB will be calculated according to the number of dogs of both sexes competing in the regular classes, as well as those dogs competing in Best of Breed competition. In no case shall BOB receive fewer GCH points than BOS.

A dog awarded BOB will be credited with all of the dogs of that sex competing in the regular classes, as well as those dogs of that sex competing in BOB.

A dog awarded Select Dog or Select Bitch will be credited with all of the dogs of that sex defeated in the regular classes, as well as those dogs of that sex defeated in BOB (i.e. Two less than the total entry of their sex).

GCH points may only be awarded to Champions that are entered in BOB or winners of non-regular classes that are competing in BOB.

TIPS: Veteran dogs or any other non-regular class dogs are not counted in determining points. All eligible entrants from non-regular classes can earn Grand Championship points. Any Champion dog from the regular or non-regular classes is not considered for the requirement to defeat at least one Champion of Record at three shows.

TIPS: When counting dogs in competition, you only count dogs present that are judged. Dogs that are disqualified, dismissed, excused, absentee or have all awards withheld do not count.

MISCELLANEOUS BREEDS

Winners of the Best of Breed and Best of Opposite Sex to Best of Breed in each of the individual miscellaneous breeds will be awarded points towards the Certificate of Merit (CM) title based on the number of dogs defeated. Upon completion of the CM title a dog may continue to compete in the Miscellaneous class so long as they are of an eligible breed. The CM suffix title is an introductory title to AKC conformation events and will be superseded by the CH title when earned. The Certificate of Merit requires 15 points.

Official Standard for the ITALIAN GREYHOUND

Description—The Italian Greyhound is very similar to the Greyhound, but much smaller and more slender in all proportions and of ideal elegance and grace.

Head—Narrow and long, tapering to nose, with a slight suggestion of stop.

Skull—Rather long, almost flat.

Muzzle—Long and fine.

Nose—Dark. It may be black or brown or in keeping with the color of the dog. A light or partly pigmented nose is a fault.

Teeth—Scissors bite. A badly undershot or overshot mouth is a fault.

Eyes—Dark, bright, intelligent, medium in size. Very light eyes are a fault.

Ears—Small, fine in texture; thrown back and folded except when alerted, then carried folded at right angles to the head. Erect or button ears severely penalized.

Neck—Long, slender and gracefully arched.

Body—Of medium length, short coupled; high at withers, back curved and drooping at hindquarters, the highest point of curve at start of loin, creating a definite tuck-up at flanks.

Shoulders—Long and sloping.

Chest—Deep and narrow.

Forelegs—Long, straight, set well under shoulder; strong pasterns, fine bone.

Hindquarters—Long, well-muscled thigh; hind legs parallel when viewed from behind, hocks well let down, well-bent stifle.

Feet—Harefoot with well-arched toes. Removal of dewclaws optional.

Tail—Slender and tapering to a curved end, long enough to reach the hock; set low, carried low. Ring tail a serious fault, gay tail a fault.
Coat—Skin fine and supple, hair short, glossy like satin and soft to the touch.

Color—Any color and markings are acceptable except that a dog with brindle markings and a dog with the tan markings normally found on black-and-tan dogs of other breeds must be disqualified.

Action—High stepping and free, front and hind legs to move forward in a straight line.

Size—Height at withers, ideally 13 inches to 15 inches.

DISQUALIFICATIONS

A dog with brindle markings. A dog with the tan markings normally found on black-and-tan dogs of other breeds.

We are proud of “Andy’s” accomplishments so far this year. He is among the top performing Igs in the country and is always breeder, owner handled.
Our Canadian connection hit the ground running down South. Suede got his Championship and Grand Championship in record time. This year he has group placements, the most recent at the Reliant World Series of Dog Shows in Houston. Suede is in the top for all-breed rankings.
