Here are the safety guidelines for the Nor'East Toy Dog Cluster
Please read them carefully
They will be enforced

NOR'EST TOY DOG CLUSTER
COVID RULES IN THIS NEW NORMAL
PLEASE READ CAREFULLY AND ADHERE STRICTLY

When this Corona virus hit, we were all shocked and eager to find the answer to one question... “When can we resume life as we know it”? While we still do not have a clear answer to that question, we do know that there is a great desire to begin to venture out and do some of the things we enjoy if we can do them carefully.

It is in that spirit that the Nor'East Toy Dog Cluster, supported by the Officers, Board and Members of the Classic Toy Dog Club of Western Massachusetts and the Town & Country Toy Dog Club of Eastern Massachusetts, have developed the following procedures and practices for our 2020 Cluster of Shows and Events. Everyone who attends the cluster for any event or in any capacity is covered by these “cluster rules” as stated below.

Respect the directives of Club Officials, and Show Committee members to keep the show safe. Honor all members of the dog show community, by adhering to Covid-19 guidelines. Many in the dog community are in high-risk categories. They are present demonstrating their passionate efforts to make these events safe, sustainable, and successful. Please review the AKC COVID Conformation Best Practice Guideline. Failure to follow the directive of Club Officers and/or Show Committee members can result in a Bench hearing, and expulsion from the grounds. By the act of entering the show grounds beginning October 1 through October 4, 2020, the event participant acknowledges awareness of the risks associated during a pandemic, and grants a waiver of liability in order to engage in any of the activities as part of the Classic Toy Dog Club of Western Massachusetts, Inc. & Town & Country Toy Dog Club of Eastern Massachusetts, Inc. Toy Group Dog Shows. The participant agrees to adhere to the following stipulations identified to enhance safety, in order to engage in the above described events.
PLEASE BRING WHAT YOU NEED TO KEEP YOUR DOGS COOL! If a dog is in distress you have waived your right and we will break into the car to protect the dog’s health and safety.

SPORTING EVENT
This is a non-spectator sporting event. The shows are closed to the public. Anyone attending the shows must either be an owner, breeder, volunteer, exhibitor, handler, handler assistant, judge, club member, hired professional (photo, video, steward, etc.). Any family members attending the show must enter with an owner, breeder, or handler of the dog. The general public will not be allowed on the grounds and if found in a building will be politely and professionally escorted off the premises.

ENTERING THE BUILDING
The first time anyone enters the building each day they will have their temperature checked with a forehead thermometer. This applies to EVERYONE including club members, workers, handlers, judges, AKC reps, vendors, building employees and anyone else not listed.

Anyone with a temperature of 100.4 or higher will be refused admission and advised to seek medical attention. You may leave your dogs with someone else to show. There will be no refund if dog is not shown.

Each person who passes the temperature check will be issued a colored wristband. A different colored wristband will be issued each day. This wristband will allow you to enter the building during that day without having another temperature check.

CRATING
Due to social distancing, crating space is limited. All crating areas will be pre-assigned to enforce social distancing. Entries for 5 or more dogs received together from the same exhibitor or handler will automatically be assigned a crating area of approximately 10' x 20'. Crating areas will be separated by a 6' space.
Any others who normally travel together and wish to be crated together **MUST** fill out a crating request form. Minimum of 5 dogs required.

Unfortunately, we may not have crating space in the building for all entries.

We will try to accommodate everyone to the extent possible, while maintaining appropriate social distancing.

Anyone not assigned a crating space may bring entries into the ring area 15 minutes before your breed is judged.

There is no electricity available in the building and no fans, blowers or hair dryers will be allowed.

**DOGS MAY NOT BE LEFT IN THE BUILDING OVERNIGHT.**

**NO PRIVATE INDOOR EXPENS ALLOWED**

Penny Kretchmer will be in charge of the crating area. Please follow her directions. Anyone not following the rules will be asked to leave the premises.

Crates are only allowed in general ring area 15 minutes before and 15 minutes after breed judging. Please use good judgment to respect social distancing requirements if marks are not present on flooring. Classes, breed etc. may be divided to allow for social distancing. Rings will have separate entrance and exit gates to facilitate social distancing. Do not congregate at the rings or in the aisles.

**CONFORMATION JUDGING**

Exhibits will line up outside the ring maintaining social distancing and exhibits will be called into the ring as each judge deems appropriate. The judge will direct you as to how to prepare your dog for exam. Follow the judge’s directions. When gaiting with other dogs, maintain a 6 foot distance between exhibits. After placements are made, please leave the ring and, if you are not going forward in the judging of that breed, please leave the ring area. The judge or steward will direct those who will remain as to where they are to wait for BOB judging.
TROPHIES
For safety reasons we will not be offering any trophies other than the Group Level trophies at the cluster this year. We are very sorry, as we know people have loved our trophies in the past.

ARMBANDS & CATALOGS
When approaching the rings for showing, only the steward will have access to the ringside catalog. Armbands will be available at the Show Secretary's tent. To facilitate this process, please know what armbands you need. Please maintain a reasonable distance from the table and the person in front of you when securing your armbands.

There will be NO public catalogs. We will have catalogs for sale. Exact change or check required for catalog and tee shirt sales.

CHAIRS
No public chairs will be provided. The cluster will not provide any seating around rings. Exhibitors can bring their chairs but must maintain social distancing between each other and from the rings. Household units are free to sit together. No group gatherings or congregating in the buildings. Chairs must be removed immediately after the judging of your breed.

MASKS
Masks covering the mouth and nose are REQUIRED at all times, including while in the rings. The mask must cover the mouth and nose at all times unless eating, drinking or removing perspiration but you must maintain social distancing, then properly replaced. You must keep your mask on when showing your dog in the ring, NO EXCEPTIONS. When exhibiting in non-conformation events, masks are required and gloves are recommended. There may be additional rules added.
Stewards and judges will wear masks (so train your dogs to expect a person in a mask) and judges will have hand sanitizer available between each examination. Masks do not need to be worn in your vehicle.

**VENDORS**
Vendor Booths – Masks must be worn at all times when in a vendor’s booth.

**PHOTOGRAPHS**
Photographs will be taken without the judge. Judge's image will be added to a win photo later in order to limit contact.

**HAND SANITIZERS**
Hand sanitizer stations will be in multiple locations throughout the building.

**SIGNS**
Please observe all signs especially pertaining to entrance and exit doors on the building. You will not be able to enter or exit every door.

**SHOW SECRETARY**
No EXHIBITORS, HANDLERS, OWNERS, BREEDERS, etc. are allowed behind the Show Secretary's table.

**HEALTH**
An AED is available on the show site near the front entrance. All show participants are required to self-assess daily. If anyone exhibits symptoms of illness consistent with COVID-19 – such as fever, fatigue, cough, chills, muscle pain, headache, sudden loss of the sense of smell, diarrhea, sore throat, or shortness of breath—they should immediately leave the site, self-isolate, and seek medical care. A decision can be made by the exhibitor to have their dogs shown by volunteer handlers if they wish.

Infection control - Wash your hands frequently for at least 20 seconds. Avoid shaking hands, hugging, or other physical contact.
Avoid touching dogs that are not your responsibility. Avoid common use pens/pencils – bring your own writing instruments. Clean up after your dogs.

RAFFLES
No fund raising, raffles, gift baskets or lotteries will be allowed.

CANCELLATIONS
If for any reason these shows are cancelled prior to October 2, 2020, all entry checks will be shredded.

The above rules are our attempt to have a fun event and yet still maintain a level of safety for all who attend. We will have committee members circulating to ensure that everyone understands the rules and to answer questions.

AMERICAN KENNEL CLUB CERTIFICATION

Permission has been granted by the American Kennel Club for the holding of this event under American Kennel Club rules and regulations.

Gina M. DiNardo, Secretary
AKC National Owner-Handled Series

(Remember to check the box near the bottom of the entry form)

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers.

All dogs that are owner-handled and are not owned or exhibited by professional handlers* meet the requirements for this competition. Exhibitors must declare their dog is Owner-Handled eligible at the time of entry using the check box on the entry form. Eligible dogs will be identified by an asterisk in the judge’s book, steward’s book & the catalog. Dogs must be handled throughout the breed level competition for the regular show by an eligible owner. Professional handlers, household members and current assistants** to professional handlers may not exhibit the dog in any competition during the entire show.

Owner-Handled Best of Breed will be selected from the dogs that are eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the non-regular classes.

- If the Best of Breed/Variety winner is Owner-Handled competition eligible, it will automatically be Owner-Handled Best of Breed/Variety and be eligible to compete in both the regular as well as the Owner-Handled group.

- If the Best of Breed/Variety winner is not eligible for Owner-Handled competition and the Best of Opposite Sex to Best of Breed/Variety is eligible, the Best of Opposite Sex to Best of Breed/Variety will compete against the eligible exhibits of the other sex to determine Owner-Handled Best of Breed/Variety.

- If neither the Best of Breed nor the Best of Opposite Sex to Best of Breed/Variety are Owner-Handled competition eligible and Select Dog & Select Bitch are both eligible, the judge is to choose Best Owner-Handled exhibit from the Selects and eligible Winners Dog or Winners Bitch.

- If one of the Selects is eligible, excuse all Champions and non-regular class winners of the same sex and then choose Best Owner-Handled exhibit from the remaining dogs of the opposite sex including the eligible Winners.

- If Best of Breed, Best of Opposite Sex to Best of Breed, Select Dog & Select Bitch are not eligible, the judge may choose any eligible dog remaining in the ring including Winners Dog or Winners Bitch as Owner-Handled Best of Breed/Variety.

- If the Best of Winners is eligible, the other Winner is ineligible since it was defeated.

- No class dogs other than the Winners Dog & Winners Bitch are eligible to return to the ring. The breed will not be represented in the Owner-Handled Group if there is no eligible dog competing in the Best of Breed or in Best of Winners competition.

* Professional handlers are defined as any person who belongs or has belonged to a professional handlers’ organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years.

* *A current assistant is defined as anyone employed by a professional handler on a full-time basis, or assisting a professional handler at the show or any time during the cluster/weekend.

Please Note: (*) appearing before a judge’s name/assignment denotes Permit status for that assignment on the date the judging panel was finalized and approved by the AKC.

The Delegates at the December 2018 meeting approved a revision to Chapter 16 Section 1 of the Rules Applying to Dog Shows. This revision, which relates to the calculation of points for Best of Winners, is effective January 1, 2019. The revised rule provides a provision where a single point may be earned by the dog awarded Best of Winners if neither sex had sufficient dogs in competition to qualify for one point for its breed in the region the show was held.

The revised paragraph 5 of Chapter 16 Section 1 will read as follows:
The dog awarded Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater. If no points are credited to the dog awarded Best of Winners, the regular class dogs of both sexes shall be counted in calculating championship points. A maximum of one championship point can be awarded when combining sexes for the Best of Winners point calculation.

In Summary:
• The championship criteria remains unchanged
• The sexes may only be combined if there is not a point available in both sexes.
• The combination of animals has to be compared to the applicable point schedule to determine if a point was earned.

To explain, when neither sex has sufficient entry for one point, Best of Winners will now earn one point if the sum of the class dogs and class bitches equals or exceeds the number required for one point in the breed for that sex in the region the show was held.
