QC Certification runs will be held before the trial. Limit of 8 Hounds. Open to all eligible Hounds at least one year of age. The handler presenting the Qualifying Hound shall be responsible for providing the Testing Hound for the qualifying course. Hounds completing Certifications at this event may then enter the Trial at Early Entry rates.

Current AKC Rule for Collars

No collar or paraphernalia shall be on the hound during the running of the course except the blanket. Protective coverings in colors including yellow, pink and blue are acceptable. Dogs may be muzzled at the owner's discretion. Muzzles must not have sharp, hard edges and must allow the hound to breathe. Special Training devices that are used to control and train dogs, including but not limited to, collars with prongs, electronic training devices may not be used on dogs at AKC events. Head collars, such as the Gentle Leader or Halti, may be used at Lure Coursing events.

Tests Offered

Junior Courser: Open to all eligible Hounds at least 12 months of age. The hound runs alone and shall receive a pass or fail qualification from the judge stating that the hound completed the course with enthusiasm and without interruption and that the hound completed a (minimum) 600-yard course with a minimum of 4 turns.

Qualified Courser: Hounds at least 12 months of age (Qualifying Hound) running with another hound of the same breed - or another breed with a similar running style - (Testing Hound) shall receive certification from a licensed judge. The qualifying hound must complete the course with enthusiasm and without interruption, sufficiently course the lure and not course the Testing Hound. The testing hound must run a sufficient length of the course to allow evaluation of the qualifying hound. If two nonqualified hounds are run together, both dogs can be certified by the judge. It must be understood that if one dog fails to complete the course, the other dog may not qualify. The judge will certify that the Qualifying Hound ran cleanly and did not appear to present a hazard to the Testing Hound at any point in the course. This certificate is required to enter a hound in an Open Stake. **The handler presenting the Qualifying Hound shall be responsible for providing the Testing Hound for the qualifying course.** An ASFA Certification may be submitted in lieu of the AKC QC certificate. The certificate must be included when the results of the trial are sent to the AKC. It is strongly recommended that every Qualifying Hound has been run previously alone and that to the handler's satisfaction runs cleanly and keenly. It is additionally recommended that every Qualifying Hound practice with other hounds prior to being presented for a qualifying courser test. It is to be understood by all that training prior to running a hound with other hounds in competition is essential to ensure that the hound is prepared to run safely with other hounds.

Open: Open to all Hounds that have obtained an AKC QC certificate or an ASFA Certification (certification must be submitted with your entries for first time entry). This requirement will be waived for hounds that have earned a Field Championship title from the American Sighthound Field Association (ASFA) or the Canadian Kennel Club (CKC). ASFA or CKC Field Champions, must submit a copy of their title certificate to the host club when they enter their first AKC Open Stake. Championship points earned from the Open Stake will only count toward a Field Champion title. Hounds that have earned an AKC Field Championship title of record are not eligible to enter the Open Stake.

Special: Open to all Hounds that have earned their AKC Field Championship titles. Championship points earned from the Specials Stake will count toward Lure Courser Excellent titles. Qualifying scores earned from the Specials Stake will count toward a Senior Courser or Master Courser title.

Veteran: Open to all Hounds which are eligible to enter Open or Special stakes and meet the age requirement for a veteran as established by the breed's parent club. Championship points will be awarded. Points won from the Veteran Stake may count toward either a Field Championship title or Lure Courser Excellent title.

Singles: Open to all Hounds approved to participate in AKC Lure Coursing trials. Hounds with breed disqualifications are eligible to enter. Hounds entered in the Singles Stake shall not be allowed to enter the regular stakes (open, specials or veteran) at the same event. Each hound shall run the course alone. The winner of the stake shall not be eligible to compete in Best of Breed.

If you are entering Singles, please write in "Singles" at the top of the entry form. Do not check anything in the "Stakes" part of the entry form.

Best in Field: Will be offered at this trial. **Portuguese Podengo Pequenos and MISC/FSS breeds are not eligible to compete.**
